WELCOME

On behalf of the Rotorua and Sydney organizing committee – we are delighted to invite you to attend the first SSEM to be held in New Zealand.

The venue is to be the Millennium Hotel in Rotorua from 24 to 27 September 2013. This modern attractive hotel is in the heart of the town.

Spring is a great time to be in Rotorua as the weather is getting warmer and the spring flowers and trees will be in full bloom. Rotorua is a destination the whole year round due to the local volcanic activity. The spectacular surrounding countryside and numerous lakes provide for a playground for the adventurous. Many extreme sports events are held in and around Rotorua due to the wide variety of local terrain. Rotorua has been described as having some of the "best mountain bike tracks on the planet". The town has much to offer families ranging from the exciting downhill luge to the thermal parks and water-based activities.

We will be taking advantage of the local scenery at the Welcome Reception and Horizon lecture which will be held in the Skyline Redwood forests. The night will feature a gondola ride, volcanic hill wine tasting, optional luge rides and Maori welcome preceding a forest banquet. The Horizon lecture will be an inspiring family event with a strong Maori flavour.

The Symposium Dinner is to be held at the spectacular historic Blue Baths – a night to remember!

Once again the very successful SSEM format will allow for something for the whole family.

The educational content will follow the Workshop and Plenary combination to include a variety of topics.

So take time out and bring the family to Rotorua and at the same time participate in an exciting educational opportunity.
